HOUSE BILL NO. 7600

Introduced by **HON. JOY MYRA S. TAMBUNTING**

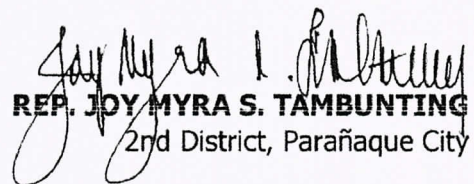

EXPLANATORY NOTE

Arts and culture are essential tools for nation building. Arts and Culture is integral to a nation's struggle for national identity as it has the ability to evoke dialogue, induce reflection and charter new relationships and ideas—all of which are essential to a healthy society. It is then the responsibility of the State to make arts and culture accessible to young Filipinos who might want to pursue it.

The Constitution provides that the State shall foster the preservation, enrichment, and dynamic evolution of a Filipino national culture based on the principle of unity in diversity in a climate of free artistic and intellectual expression. In this regard, this proposed measure seeks to establish a Philippine High School for Creative Arts (PHSCA) System which are comprised of secondary schools offering full scholarships to deserving students with considerable potential in the fields of performing arts, creative writing, visual arts, and applied arts. It shall provide a continuing source of artists of excellence and leaders in the preservation and promotion of culture, arts and the creative industry in the Philippines

Presently, there are only two public high schools in the country that specializes in arts, namely the Philippine High School for the Arts in Laguna and the Bataan High School for the Arts. The establishment of the Philippine High School for Creative Arts (PHSCA) System will greatly help in bringing the arts closer to many talented and deserving young Filipinos across the country.

On behalf of the people of Parañaque City's Second District, and for the common good of the Filipino people, the approval of the said measure is earnestly sought.
